

Grizzly Weekly Update,

March 8, 2019

Hello, Grizzly Families,

I want to first thank everyone for your support and understanding this week. Please know that my first priority is always to keep our students and staff safe every day. Social media can have a substantial impact on our daily lives. Please take some time to talk with your student about the dangers of making posts that could have a negative impact to those around you. This is a learning opportunity for all of us as we work to navigate this digital world.

One more week before spring break. Please reinforce to your students the importance of staying focused and finishing strong. We have had lots of interruptions this week so we need to maximize learning leading up to break. I want to take a moment to plug our first Mr. Grizzly Night put on by our Glenn Project Grad Committee. Please come join us on Thursday the 14th here at GHS.

Again, thank you for your support, positivity, and understanding. I am proud to be a Grizzly.

GO GRIZ!

Arturo Lomeli, Principal

Help our staff win breakfast tacos by completing this brief BrightBytes Survey: Please complete the Leander ISD BrightBytes Parent Survey. The data is used to assess our digital learning at the campus level and assess the impact of new technologies. From this data, our district and campus will create system reports to develop long-range plans for digital learning. Your feedback is important. The link for the Glenn High School parent is
