Jan. 25, 2018

Dear Tom Glenn High School families,

In an effort to keep our community informed, we want to let you know about an event at Tom Glenn High School on Thursday, Feb. 1st. Local law enforcement will be using the school for training purposes starting around 6:30 p.m. and ending around midnight. We are informing you because you will see an increase in police presence in and around the campus, and we did not want you to be alarmed or concerned. If you have any questions, please call the school office at 512-570-1400. Thank you for your continued support of Tom Glenn High School.

Attendance Matters! Did you know?

- * By 9th grade, regular and high attendance is a better predictor of graduation rates than 8th grade test scores.
- * Missing 10 percent, or about 18 days, of the school year can drastically affect a student's academic success.
- * Students can be chronically absent even if they miss a day or two every few weeks.
- * Attendance is an important life skill that will help your child graduate from college and keep a job.
