

Student Identification Cards

All students will be issued a high school identification (I.D.) Card that they must carry with them during school and to all school functions. The first I.D. Card is free and comes as part of the student's pictures. Students choosing not to purchase pictures should have their pictures taken just for the I.D. Card. Those students choosing not to have pictures made at all must pay a \$5.00 fee for their cards. Replacement cards also cost \$5.00. New students enrolling after the student's pictures made will receive their first card free. Students are subject to disciplinary actions for failure to carry their school identification cards.
