

## **Grizzly Weekly Update**

**Dec. 5, 2018**

**Midterm exams:** Please see the attached schedule for midterm exam dates and the altered schedule for the week of Dec. 17-21.

**PSAT scores** will be released online December 10<sup>th</sup>. Please encourage your student to log in to his/her College Board Account and view the score report on this day. In January, when Grizzlies return from break, your student's English teacher will take time to review the score report in class. If you're having trouble accessing your released scores:

- You may need to update your account information. Log in to the student score portal and follow the instructions to verify your account.
- Log in to the student score portal and learn how to use your PSAT/NMSQT access code to verify your account.
- Do you have another College Board account? You, your parent, or guidance counselor could have made it. Log out now and log back in using the other account.
- For more help, call 866-433-7728. For international and TTY phone numbers, go to the Contact Us page.

**Finals Frenzy:** We're quickly approaching the end of first semester. This is an exciting time as we wrap up all the hard work the students have done! Finals Frenzy was designed to provide an opportunity for students to finish everything up before final exams begin. We encourage them to use the evening for group collaboration, studying for finals, completing any projects that are still due, and finishing up any continuous improvement teachers may have assigned.

Structure for Finals Frenzy:

- MAC- the MAC will be for students who are doing silent, independent work
- Union- the Union will be open for students who are working in collaborative groups.
- Academic Wings- wings will only be open for students who are working in a study group with a teacher.
